

Secrets of Eden: A Novel

Filesize: 6.75 MB

Reviews

Complete information for publication enthusiasts. I have go through and that i am confident that i will gonna go through once more again in the future. Its been printed in an exceptionally basic way and is particularly just following i finished reading through this book by which basically altered me, alter the way i really believe.

Crown, 2010. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: IndieBound Indie Next pick, February 2010 Advance Praise for Secrets of Eden "Bohjalian (Law of Similars) has built a reputation on his rich characters and immersing readers in diverse subjects-homeopathy, animal rights activism, midwifery-and his latest surely won't disappoint. The morning after her baptism into the Rev. Stephen Drew's Vermont Baptist church, Alice Hayward and her abusive husband are found dead in their home, an apparent murder-suicide. Stephen, the novel's first narrator, is so racked with guilt over his failure to save Alice that he leaves town. Soon, he meets Heather Laurent, the author of a book about angels whose own parents' marriage also ended in tragedy. Stephen's deeply sympathetic narration is challenged by the next two narrators: deputy state attorney Catherine Benincasa, whose suspicions are aroused initially by Stephen's abrupt departure (and then by questions about his relationship with Alice), and Heather, who distances herself from Stephen for similar reasons and risks the trip into her dark past by seeking out Katie, the Haywards' now-orphaned 15-year-old daughter who puts into play the final pieces of the puzzle, setting things up for a touching twist. Fans of Bohjalian's more exotic works will miss learning something new, but this is a masterfully human and compassionate tale." -Publishers Weekly, starred and boxed review "Specificity and complexity and. . .a somber power." -Kirkus Reviews Praise for Skeletons at the Feast "Suspenseful. . .romantic. . .a deeply satisfying novel." --The Washington Post Book World "Poignant. . .Harrowing. . . Bohjalian has given us an important addition to the story of World War II." -The Boston Globe "Ingenious. . .compelling. . .Judging who's right or wrong is difficult and one senses that's just the way Bohjalian wants it." -- Los Angeles...
