

## Key Words in Religious Studies

Filesize: 4.86 MB

### Reviews

*A fresh eBook with an all new standpoint. It is actually written in simple words and phrases instead of difficult to understand. You won't sense monotony at any moment of your own time (that's what catalogs are for relating to if you question me).*

*(Dr. Marcel Collins)*

## KEY WORDS IN RELIGIOUS STUDIES

To download **Key Words in Religious Studies** eBook, make sure you access the button listed below and save the file or gain access to other information that are highly relevant to KEY WORDS IN RELIGIOUS STUDIES book.

Georgetown University Press, United States, 2006. Paperback. Book Condition: New. 173 x 124 mm. Language: English . Brand New Book. Daily political events and the steady inevitability of globalism require that informed students and citizens learn something about religious traditions foreign to their own. Designed for both classroom and general use, these handy Key Words guidebooks are essential resources for those who want clear and concise explanations of common terms and unfamiliar concepts of major world religions. Each pocket-sized volume contains definitions for over 400 terms from religious principles and significant periods to noteworthy figures. A quick sampling of terms from this volume: Agnosticism; Canon; Exegesis; Grace; Liberation; Theology; Monotheism; Parable; Ritual; and Theocracy. Sample Definitions: Exegesis: the process of explaining a sacred text in order to penetrate further into the author s meaning or to apply new interpretations based upon contemporary situations or enhanced knowledge (see hermeneutics, sacred texts). Monotheism: The worship of one God regarded as the sole and universal creator of the universe, typically expressed in the religions of Judaism, Islam and Christianity. However varieties of monotheism can also be found in Indian traditions. Monotheistic beliefs classically assert that such a deity is personal, caring for and involving itself in the affairs of human beings through revelation (see deism, monism, henotheism, polytheism, revelation).
