I publish and reprint books as they remain relevant anytime. Good and memorable articles need to be published. I collect them to come up with a collection in order to complete a fairly good-size book. I produce also solo-author books, columns, novels, opinions, essays, art books, pictorial albums, family trees, joke books, songhits, biographies, travelogues, reunions, in color or black/white, etc. Why put writings in a hardcopy or book? And not just in the internet. Well, the hardcopy is there for posterity and availability. Not all use the internet. Sometimes, internet has problems. I publish or reprint free of charge under POD system (Print-On-Demand). Print is always available and for all eternity, unless the owner or author chooses to halt its publication.
