The ongoing story of us. Second book of the best-selling, Threads West series. Set in 1855, Book Two continues the page-turning tale of four richly-textured, complex generations of unforgettable personalities. Suspense builds as they hurtle towards unknown destinies, propelled by one adventure, danger, romantic twist and encounter to the next. Forged in the crucible of history, shaped on the anvil of a dangerous land, the threads of their lives and torrid loves interweave with the evolution of the West. Armed conflicts, the rancour of slavery, and the discovery of gold, all create lethal surprises when the characters are forced to defend their lands, their loved ones, and their honour. The tragic story of the Indians begins to unfold. New characters with dark hearts, lost souls, and hopeful innocence, colour the tapestry of this epic saga. Others, in search of place and rightful freedom, catapult into the story. An unexpected convergence of events sets in motion the thrilling, yet heartrending Conclusion of Book Two, setting the stage for the passionate tumult of the third book of the series.
