CHRONICLE BOOKS, United States, 2012. Hardback. Book Condition: New. 200 x 138 mm. Language: English . Brand New Book. Jeremy s troubles begin when his eccentric neighbor, Professor Twitchett, leaves him an experiment for safe-keeping, a Jackalope! This so-called mythological creature looks like an adorable bunny rabbit, but comes with razor sharp antlers and is purported to be a ruthless killer. But when government agents show up at Jeremy s house, things look even more dire. It seems they want the Jackalope for their own purposes, and they will stop at nothing to get him. Jeremy must find a way to protect the Jackalope, and himself, so he reluctantly joins forces with Agatha, his holier-than-thou genius neighbor and classmate. With the Jackalope (and his weapons-grade-antlers) tucked away in a backpack, they have only one chance to save Jack and still find a way to get their science fair projects in on time.
