BIRTH: WHEN THE SPIRITUAL AND THE MATERIAL COME TOGETHER (HARDBACK)

Phoenix Books, United States, 2009. Hardback. Book Condition: New. New.. 193 x 140 mm. Language: English . Brand New Book. Shari Arison is one of the most influential women in the world. She is the leader of a successful business empire and one of the largest private philanthropic foundations in Israel. From growing up with her father, Ted Arison, the founder of Carnival Cruise Lines, to her acquisition of the chairmanship position of the Arison Group, Arison possesses a unique perspective on both business and spiritual growth. In Birth: When The Spiritual and The Material Come Together, Arison provides her vision for creating a new reality for the future, generated from a marriage of the spiritual and the material. She currently sees the world collapsing into a mess of personal and corporate greed - a world rampant with financial corruption, environmental negligence and decaying social values. In Birth, she presents a compelling message that every person in the world is capable of contributing to change. Arison s account chronicles her own journeys, both spiritually and in business, that led to the repositioning of the Arison Group as an enterprise focused on balancing profit with a strong commitment to sustainability and philanthropy. She passionately advocates mutual responsibility, intimately outlining how one must first turn within him or herself and attain inner peace to work toward the larger picture of world accord. With Arison s plan for the future, every person can convert crisis into opportunity. Birth illuminates the convergence of the spiritual and the material and presents valuable insights on their crucial connection. Arison powerfully maps out a model that will enable individuals and corporations to incite change and ultimately give birth to a brighter future. I believe that Shari Arison can play a crucial role in our achieving world peace,...
