Troubador Publishing. Paperback. Book Condition: new. BRAND NEW, Curried Chess, Markus Stormson, Curried Chess takes the humble 8 x 8 chequered board and draws together inventive new versions of the game of chess, all designed to spice up your chess life! Author Markus Stormson has created a range of new gripping chess games for all players; from the easy, but fun Knightspawn and the very mobile Noble Wings Chess to a territory game called Stratak - played with no king but plenty of exotic moves. You might want to get to grips with Barbed Chess, where danger lurks around every move, or the appetising Kingpawns take-away, where the humble pawn explodes into prominence on the board. Then there are two games that feature added suspense; Double take, where decisions are made in secret before the start of the game and sprung on your opponent, and Cobra Strike where players attack with everything. Two short range variations are included for chess fans. Short Chess! invite you to play standard chess - with half the range and Barbed Short Chess, a game in which the knights become knight-mares! Curried Chess will broaden your chess horizons. With these variations you are encouraged to substitute features and moves from other games within the collection. This book will appeal to anyone interested in learning how to play new and innovative versions of chess.
