She is now one of the best-loved children's characters of all time. In this charming new addition to her story, Miffy takes inspiration from a visit to an art gallery and decides to become an artist herself. Looking at the colour and shapes of the world around her she discovers what fun it can be to make pictures of the things she sees. By bedtime, her walls are full of all her wonderful artworks. The perfect gift for a budding artist, this is a charming book from one of the master illustrators of our time.
