

Student Companion to Edgar Allan Poe (Hardback)

Filesize: 5.91 MB

Reviews

This ebook is worth acquiring. Better then never, though i am quite late in start reading this one. You will not truly feel monotony at at any time of your own time (that's what catalogues are for about if you ask me).

STUDENT COMPANION TO EDGAR ALLAN POE (HARDBACK)

[DOWNLOAD](#)

ABC-CLIO, United States, 2001. Hardback. Book Condition: New. New.. 242 x 162 mm. Language: English . Brand New Book ***** Print on Demand *****.The contributions of Edgar Allan Poe have withstood the test of time; his best poems and fiction are more popular and carry greater significance now than they did during his own era. This highly readable introduction to the life, times, and major works of Poe offers fresh interpretations of timeless masterpieces like *The Raven* and *The Purloined Letter*. Carefully considering important thematic elements as well as genre, this book organizes the works of Poe into four significant groupings: the poetry, Vampiric love stories, tales of psychological terror, and the detective stories. Close readings are given for a selection of the most important works that represent Poe's canon of writings, including the chilling *Tell Tale Heart* and *The Black Cat*. This introductory study to Edgar Allan Poe begins with a concise biographical chapter that explores Poe's troubled experiences. The Literary Heritage chapter chronicles Poe's influence on other writers, artists, and filmmakers who followed. This work examines the major poems from Poe's canon, with special attention to those works that are most often taught and anthologized. Poe's most famous tales of terror and revenge are juxtaposed because they all revolve around murders and the elements of terror associated with the act of killing. Likewise, his love stories are brought together in a chapter that deals with vampirism and gender. The final chapter, *The Origins of the Detective Tale*, examines Poe's tales of ratiocination, and traces the evolution of many popular culture super sleuths to Poe's Dupin. A selective bibliography of biographical and critical works on Poe, including contemporary reviews, completes this thorough volume. Students, general readers, and fans of all things Gothic...
