They have been the cornerstones of my career and can be the cornerstones of how you successfully navigate the rest of your life. People are not born with Attitude, Commitment or Enthusiasm. They are developed by using the correct combination of four essential ingredients or the Four Ps of Success: Passion, Patience, Purpose and Prayer, which will be defined and presented in this book, along with the development of a personal action plan. No matter what you think about Attitude, Commitment and Enthusiasm, these words can be the beginnings of strategies that can help you build a foundation of success.
