Reviews

A really wonderful book with lucid and perfect reasons. This can be for all who statte there was not a worth reading through. You are going to like how the author write this book.
(Dr. Grady Jacobi DDS)

KITCHEN

Audible Studios on Brilliance, United States, 2015. CD-Audio. Book Condition: New. Unabridged. 170 x 135 mm. Language: English . Brand New. With the publication of *Kitchen*, the dazzling English-language debut that is still her best-loved book, the literary world realized that Yoshimoto was a young writer of enduring talent whose work has quickly earned a place among the best of contemporary Japanese literature. *Kitchen* is an enchantingly original book that juxtaposes two tales about mothers, love, tragedy, and the power of the kitchen and home in the lives of a pair of free-spirited young women in contemporary Japan. Mikage, the heroine, is an orphan raised by her grandmother, who has passed away. Grieving, Mikage is taken in by her friend Yoichi and his mother (who is really his cross-dressing father) Eriko. As the three of them form an improvised family that soon weathers its own tragic losses, Yoshimoto spins a lovely, evocative tale with the kitchen and the comforts of home at its heart. In a whimsical style that recalls the early Marguerite Duras, *Kitchen* and its companion story, *Moonlight Shadow*, are elegant tales whose seeming simplicity is the ruse of a very special writer whose voice echoes in the mind and the soul.
