## HOW TO INTERPRET HISTORY

Tate Publishing Enterprises, United States, 2007. Paperback. Book Condition: New. 221 x 147 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.History is indeed a mystery. Even the Bible refers to history this way. Differing interpretations of historical events abound as the past is subjected to scrutiny by archeologists, anthropologists, theologians, educators, historians, politicians, authors and film directors, not to mention each of us as individuals. All of this contributes to the mystery already inherent in the events. But once we know what to look for in the pages of history, it's a different story. For those who find history confusing, How to Interpret History is offered as relief. This handbook offers a biblical framework of revealed and intended principles for interpreting history. Do we really believe God is providentially involved in human affairs? Is God in control of the events that are happening in the world? Are His purposes discoverable? Are we sure God, the Creator of all things, intends for us to unravel the tapestry of history? If so, what tools do we have to discover the answers to these questions? This handbook seeks to show the inseparable nature of interpretation and definition of history, provide common viewpoints to the historical record, identify power groups, discuss the will and purpose of God in history, explore five biblical principles for interpreting history, and offer...
