You re about to discover a proven strategy on how to overcome your homophobia for the rest of your life. Millions of people are homophobic in today s world and it causes many issues in their personal interactions as well as issues in the LGBT community. In order to be happy and successful with your family, friends, and career, it is important to be open-minded to all individuals. Most people realize how much of a problem homophobia is, but are unable to change their situation, simply because it s been apart of their mindset for so long. The truth is, if you are suffering from homophobia and haven t been able to change, it s because you are lacking an effective strategy and understanding of where these feelings come from and why they are there. This book goes into what homophobia is, where it originates, and a step-by-step strategy that will help you free yourself from homophobia...
