LAND USE CHANGES IN EUROPE

Book Condition: New. Publisher/Verlag: Springer Netherlands | Processes of Change, Environmental Transformations and Future Patterns | The patterns of land use that have evolved in Europe reflect the boundaries set by the natural environment and socio-economic responses to the needs of the population. Over the centuries man has been able to overcome increasingly the constraints placed on land use by the natural environment through the development of new technologies and innovations, driven by an increasing population and rising material expectations....
