Createspace, United States, 2013. Paperback. Book Condition: New. 224 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Paris Night is a gripping thriller constructed around an Islamic terrorist attack of the type which targeted the French satirical newspaper Charlie Hebdo and killed its main cartoonists on January 7, 2015. The novel gives insights also into the context of such French affaires as the sex scandal which prevented Strauss-Khan from becoming president, and the betrayal which ended the affair between Trierweiler and President Hollande over his sexcapades on a scooter. Paris Night continues to be ominously ahead of events, and of new scandals which emerge every month and at times every week, ranging from tax evasion to suspect commissions on arms sales. A central theme forewarned of the ever-increasing threat of a catastrophic terrorist attack. The murderous raid on Charlie Hebdo for publishing cartoons of Mohamed with a bomb on his head coincides with the publication of a controversial book, Soumission by Michel Houellebecq which highlights the political influence of Islam in France. One of the sub-plots in Paris Night foresaw the invasion of Ukraine by Russia, and another foreshadowed a recent scandal in which an eminence grise to the then President Sarkozy secretly recorded the president in the Elysee Palace so as to have a political insurance policy. President Hollande has warned that corruption and political intrigue, together with economic and political sclerosis, lie behind a moral and institutional crisis which threatens the survival of the Fifth Republic. This has become a focus of national debate since the book was published. Paris Night, in telling a cracking story, explores how corruption can cause slow rot and put a nation in danger. It is also a comment on decadence and the need for people with courage...
