Reviews

A whole new eBook with an all new standpoint. It is actually rally fascinating throgh reading through time period. You wont truly feel monotony at anytime of your own time (that's what catalogues are for relating to when you request me).

(Claire Bartell)

BONELAND

HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, Boneland, Alan Garner, The crowning achievement of an astonishing career, 'Boneland' concludes the story that began over fifty years ago in 'The Weirdestone of Brisingamen'. If the sleeper wakes, the dream dies. Professor Colin Whisterfield spends his days at Jodrell Bank, using the radio telescope to look for his lost sister in the Pleiades. At the same time, and in another time, the Watcher cuts the rock and dances, to keep the sky above the earth and the stars flying. Colin can't remember; and he remembers too much. Before the age of twelve years and nine months is a blank. After that he recalls everything: where he was, what he was doing, in every minute of every hour of every day. But Colin will have to remember what happened when he was twelve, if he wants to find his sister. And the Watcher will have to find the Woman. Otherwise the skies will fall, and there will be only winter, wanderers and moon.
