Createspace, United States, 2014. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.Fast. That s how I like life, especially my two great joys: bikes and women. I m committed to exclusively riding one, but not the other. Until April. A sexy-arse freelance photographer who s travelled the world, and doesn t do long walks on the beach or romantic candlelit dinners. She enjoys running with the bulls and food spicy enough to make your hair fall out. If that weren t enough to get me hard, she rides a mean mother of a motorcycle. I ve gotta have a taste of this wildcat. Spencer (Jones) I don t do fast. Not anymore. I ve got my career, my independence, and since I fled Spain to come back home I promised myself that I wouldn t be put second-or third, for that matter-again. Then I meet pretty boy Spencer. He s smooth, oozing the most potent pheromones probably known to modern science, and he s making a move on me. One kiss was almost enough for my promise to dissolve. My head says no-my treacherous body screams yes. I m gonna make Spencer work for it. Make him fight for the chance to have me, because I know that deep down I m worth it. April MacIntyre *Strike is book three in the Spark series. It can be read as a stand-alone, but continues on with characters from Spark and Spike. *Recommended for 18+ as it contains very steamy sex with motocross boys *sigh*.
