Reviews

A must buy book if you need to adding benefit. It is probably the most amazing ebook i actually have go through. Its been designed in an exceptionally basic way and is particularly just soon after i finished reading through this book through which basically changed me, affect the way in my opinion.

Pearson Education, 2009. Softcover. Book Condition: Neu. Gebraucht - Sehr gut Unbenutzt. Schnelle Lieferung, Kartonverpackung. Abzugsfähige Rechnung. Bei Mehrfachbestellung werden die Versandkosten anteilig erstattet. - The Second Edition of *Nutrition: An Applied Approach*, presents introductory nutrition information to non-majors in an applied format that discourages memorization and promotes long-term understanding of the material. The authors capitalize on students' natural interest in nutrition by demonstrating how it relates to their health and their everyday lives, and by addressing- and debunking- commonly held misconceptions students have. The applied nature of the book is also reflected in the functional organization of the micronutrient chapters. This approach encourages students to develop a conceptual framework in which to organize the information and helps them understand the role of nutrients in their bodies and their own health. The book's applied approach is enhanced in the Second Edition with the inclusion of in-depth six to eight page sections that cover important topics. These sections--Alcohol, Vitamins & Minerals Overview, Phytochemicals & Functional Foods, and Global Nutrition--were chosen because reviewers highly-desired the addition of this content. The In-Depth section covering vitamins and minerals is presented with a unique design and maintain the functional approach of the book while still presenting a traditional micronutrient overview for students. A new Find the Quack feature, a bright new design, and updated art also give the Second Edition a pedagogical boost. Three new Instructor Supplements complement an already robust media package. The Teaching Tool Box, Media Manager, and Animations have all been created to enhance the teaching experience and save time. The Teaching Toolbox gathers critical teaching tools into one easy-access location for instructors, while the Media Manager groups helpful presentation tools together for easier lecturing. 677 pp. Englisch.
