Elements of Physical and Political Geography (Classic Reprint)

By Cornelius Sowle Cartée

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from Elements of Physical and Political Geography The department of Natural or Physical Geography has hitherto received but little attention in our schools. The time of the learner has been chiefly spent upon the accidental or artificial divisions of the earth; in learning estimates of population and extent, which, if true to-day, may be false to-morrow; in committing to memory a dry catalogue of names and definitions without any intelligible ideas associated with them - a collection of unmeaning facts, to be forgotten more easily than learned. It is of comparatively little use for a child to be told that the earth is one of the planets, if he does not know what a planet is; or to learn the location and extent of certain mountains, seas, and rivers, if he does not perceive their influence upon climate, vegetation, and the condition of man. The study of geography should not be limited to a mere description of the earth's surface, and of the organized existences which inhabit it. We should trace the general phenomena of the...

Totally one of the better pdf I have at any time read through. It really is simplified but shocks within the 50 % from the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
