Being an Adult Baby is tough. Even being the parent or partner to an AB is tough. People don't understand Adult Babies. What are we to do? Let this book guide you through the difficulties Adult Babies, and those who love them, face in life. Online, and even on Amazon, there is no shortage of exotic material, pictures of beautiful people in diapers, and sexy stories of age-play relationships. Yet, being an AB is difficult, strange, and confusing, and nobody ever addresses these important topics. until now. Does your child or spouse want to wear diapers? Are you having difficulty understanding your own desires to be babied? Are you curious about the AB/DL lifestyle, and want to know more? Do you have trouble fitting in ? If you've answered yes to any of these questions, this is the book for you. Any Adult Baby struggling to find his or her path in life must read this book. This book will help ABs find their way in a non-AB world. This book...

### Reviews

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

*This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).*
