Amazon Publishing, United States, 2016. Paperback. Book Condition: New. 208 x 140 mm. Language: English . Brand New Book. Seventeen-year-old Arion Rush has always played the obedient sidekick to her older sisters flashy femme fatale until a mysterious boating accident leaves Lilah a silent, traumatized stranger. As her sister awaits medical treatment with their mother, Arion and their father head to his hometown in Maine to prepare a new life for them all. Surrounded by the vast Atlantic, songwriting is Arions only solace, her solid ground. Unexpectedly, Arion blossoms in the tiny coastal town. Friends flock to her, and Logan Delaine, a volatile heartthrob, seems downright smitten. But its Bo Summers a solitary surfer, as alluring as he is aloof that Arion cant shake. Meanwhile, Lilahs worsening condition, a string of local fatalities, and Arions own recent brushes with death seem ominously linked to Bos otherworldly family. As Arions feelings for Bo intensify and his affections turn possessive, she must make a choice. How will Arion learn to listen to her own voice when Bos siren song wont stop ringing in her ears?.
